range of courier, driver and refrigerated
logistic services

ASAP GROUP

Supporting businesses with a comprehensive range of courier, driver and refrigerated logistic services.

ASAP Group

Established in 1999, the ASAP Group is an operating group of companies comprising of ASAP Refrigerated Ltd, ASAP Driver Cover Ltd and ASAP Recruitment Ltd.

By fully understanding the needs of our clients through continued dialogue, our business has grown year-on-year to meet the demands of an ever changing business environment.

Company philosophy

As an organisation, our goal is to exceed our partner's expectations. We have worked with many differing business sectors from national and international groups, to meeting the demands of one-off speciality requirements.

Our aim is to ensure deliveries are made on time, in perfect condition and understand our drivers represent the face of your business.

Our people

At ASAP, we take the selection of our drivers very carefully as we appreciate the difference that good people make to our business.

All of our employees are scrutinised and have been DBS Enhanced certified, ensuring increased knowledge and security of the individuals representing our client's business.

In addition, our drivers are full time employees, trained and developed to ensure we offer the highest level of service to our clients.

Benefits of working with ASAP

- Reduced variable costs such as vehicle damage, fuel and insurance costs.
- Reduced recruitment and training costs.
- Professional and immediately productive drivers.
- Reduced requirement of man management.
- Increased flexibility for our clients during peak periods.
- The ability to grow the business without committing to long term costs.

DRIVER COVER

Providing professional, experienced drivers with or without vehicles.

Approach

At ASAP, we believe we are different from high street temp agencies. All of our drivers are full time employees of the ASAP Group and are trained and developed to ensure we offer the highest level of service.

Our fleet of vans are all under 2 years old and range from small vans up to 2.4tn capacity trucks. Drivers can also be provided to work in your own vehicles if necessary.

Services

- Holiday and absence coverage.
- Out of area and emergency deliveries.
- Ad hoc use to cover rise in volumes.
- Long term service partnerships with vehicles liveried and designed to meet client's needs.
- 1 man multi-drop coverage.
- 2 man multi-drop coverage.
- Same day collections and deliveries.

Partnerships

We aim to create long term sustainable relationships to assist our clients to grow, many of whom have partnered with us since our inception.

We'll take time to understand your needs to provide you with the bespoke service you require. Vehicles can be designed to meet your specifications and we won't shy away from any request.

REFRIGERATED

Providing specialised temperature controlled distribution solutions across the South East of England.

Approach

ASAP Refrigerated specialises in the delivery of temperature sensitive consignments whether it be food, pharmaceuticals or event decorations such as ice sculptures.

Our drivers are trained and developed to offer the finest service and reliability, using the most modern vehicles available.

All vehicles are live tracked to ensure complete clarity and peace of mind of where your delivery is at all times.

Services

- Same day emergency cover with point-to-point delivery for specific consignments delivered anywhere in the UK.
- Multi-drop deliveries in our modern fleet of refrigerated vehicles.
- Full Contracts undertaken to manage distribution requirements.
- Shared user network across TN/BN areas.

Partnerships

We work alongside our partners to offer the highest level of long-term service with a flexible cost base.

- Bespoke pricing to meet the project objective.
- Flexible costs to meet volume peaks and troughs.
- The ability to react to unplanned increases in volume to maintain service levels.
- DBS certified drivers.
- The ability to encourage growth without committing to immediate fixed cost.

RECRUITMENT

Matching businesses and candidates to ensure that every position is filled with the most suitable person.

Approach

At ASAP Recruitment, we take a different approach to the recruitment of drivers, providing the most bespoke recruitment service in the industry.

Our vast experience in finding and placing the highest quality drivers means we understand how to identify the right talent. A full vetting service is undertaken on candidates to provide peace of mind. In addition, we train and develop our placements to ensure that your driver meets all of your requirements.

Filling your position

When looking to fill a driver position, it is important that time is taken to establish exactly what qualities the ideal candidate will require.

We pride ourselves on not just providing a person but supplying someone who is extremely capable of carrying out your daily requirements from the outset.

Services

Our added-value service is well honed and perfect at delivering placements and permanent candidates. Finding the best person is our speciality:

- RoSPA qualified driving assessors who appraise all driver candidates before engagement.
- Temporary drivers available for all vehicle classifications.
- Temp to Permanent drivers available for all vehicle classifications.
- Permanent recruitment available.

TESTIMONIALS

At ASAP, we are very proud to have served many interesting and prestigious clients. In the process we have met a lot of great people. Here are what a few of them had to say about ASAP.

“DHL Express (Gatwick) has been working successfully with ASAP for a number of years now and we have built a strong relationship. We have a service partner that we trust to deliver an exceptional service to our customers.”

Roy Osborne
DHL EXPRESS

“Our partnership with ASAP is a true success. They have become an integral part of our business and are currently working from all of our South of England depot locations including Crawley, Sandhurst, Aylesbury, Farnham and Maidstone.”

Shaun Hope
DOLBY VIVISOL

“Working with ASAP has been amazing. Their drivers are the most professional in the industry and they really take pride in their work and the fact that they are representing the DX business. We couldn't operate without them!”

Andrew Martin
